The Noble Prophet (prayers of Allah be upon him and his family) has said:

“... from my nation who memorizes forty traditions pertaining to those issues of religion which he is in need of, will be resurrected by Allah on the Day of Judgement as a person with deep insight into the faith and as a scholar.”

In following the above hadith, The Islamic Education Board of The World Federation of KSIMC (IEB – WF) has decided to publish a series of booklets of 40 Ahadith on different subjects. The Ahadith which have been selected from various sources, are short and simple and therefore easy to understand and memorize. It is envisaged that the booklets will not only be useful for Zakireen, Madrasah teachers and students, but will be of benefit to the Ummah at large.
The collection of the Ahadith and introduction of this present work was done by Mahmud Mahdipur [as found on the Internet at http://www.hawzah.net/Per/K/Ah-Haj/Index.htm [9]], while the translation in English was carried out by Shaykh Saleem Bhimji. IEB – WF would like to thank Shaykh Saleem for his efforts in the translation of this work. May Allah (Glory and Greatness be to Him) accept this work as a further attempt by IEB – WF to propagate Islam.

Allah, the Most High, has said:

However, it is important to note that a portion of the secrets behind all of these acts of worship, which are both political and spiritual, is that they actually pull a person towards a greater study and research of the Islamic texts and are actually the cause for the thirst towards more knowledge and a stimulation to learn more about the faith.

The minute intellectual reflections and small goals which people have for themselves, take on a much larger scale when they are engrossed in the great universal gathering of Muslims. Without a doubt, it is within such a venue that an individual wishes and desires the hopes and aspirations not only for himself, rather for all Muslims. The Hujjaj participating in this great Abrahamic journey, spiritually link their actions with those done by the great prophets of the past and open up the doors of the historical past to their own realm of understanding.

The Divinely taught sacred call of “Labbayk Allahumma Labbayk...” brings to mind the ancient pledge, pact, and innate covenant which mankind made with their Creator aforetime. It is through putting on the white clothing of the Ihram that a person removes the spiritually dark traits of selfishness, pretentiousness, and the rampant desire to fulfill one’s sensual pleasures, and puts an end (hopefully not temporarily) to one’s evil habits and actions. Through this clothing which one has now donned, one sees and understands that all the praise, blessings, and power belong solely to Allah (SWT).

The etiquette related to being inside the Sanctuary (Haram) teaches us the noble ethical traits and the sacred Divine morals which we must enact at all times in our lives. In the physical actions of the Hajj, we are taught the lessons of unity, the importance of keeping the spiritual realm and politics together, maintaining true faith, building alliances with other Muslims, and the true meaning of freedom.

At the same time, we are also taught to stand up and fight against disbelief, polytheism, and other Satanic forces as one firm unit of Muslims. It is through the tawaaf in the presence of one’s Beloved and standing at the Maqam of Ibrahim and performing the Salat that a person becomes one with the Angels in the heavens who are performing the same action!

Through the act of the Sa’i between the mountains of al-Safa and al-Marwah and then trimming the hair, a person is finally permitted to once again circle the Ka’bah in the final tawaaf, known as the Tawaaf an-Nisa, where he finishes off this entire Hajj by standing at the Maqam-e-Ibrahim and performing one final two Rak’at Salat.

It is through greeting the Hajrul Aswad and even kissing it that a person renews the pledge one made in the other world, as the Qur’an mentions:
“And when your Lord brought forth from the children of Adam, from their backs, their descendants, and made them bear witness against their own souls: ‘Am I not your Lord?’ They said: ‘Yes! we bear witness.’ Lest you should say on the Day of Resurrection: Surely we were heedless of this.” (7:172)

It is only through drinking the delicious water of the well of Zamzam that a person is able to once again hear the whisper of life flowing through one’s entire body and soul...

The momentary stops through the Hajj and the movements made from one place to another by the command of Allah (SWT) and with the remembrance of Allah (SWT) teach a person the Abrahamic way of life. It is through the acts of the slaughtering of an animal that a person is able to slit the throat of his negative trait of miserliness, and it is through the act of shaving the head that one begins to prepare himself once again to be able to enter into Masjidul Haraam, the house of his Beloved.

However before this, one must make his way to the Jamarat to stone the large, medium and small representations of the Satan. Through this act, he announces his disavowal and disapproval from anything Satanic and anything which has polytheistic undertones to it.

That which we have mentioned in this short booklet is a collection of forty Ahadith in regards to this great obligatory act – the Hajj.

These Ahadith go forth to elucidate and explain some of the etiquettes and goals behind the Hajj. The sacredness and sanctity of the sites of Hajj and the role which they have in the life of a person have also been alluded to in our selection of narrations. The short traditions, which we have quoted in this work, come to us from the Infallible Leaders of the faith (AS), and open up a new outlook to the beautiful visage of the Hajj. The visitors to the sacred house of Allah, or those who have a strong desire to make the trip, but have not yet been blessed to do so, would do well to study these carefully.

‘May your Hajj be accepted and may all of your efforts be appreciated.’

It has been narrated from ‘Ali [Ibn Abi Talib] (peace be upon him) who said, “If I were to possess two valleys flowing with gold and silver, I would not donate a single thing to the Ka’bah because it would reach the (unworthy) people who maintain the Ka’bah – and not to the poor and deserving people.”

{And whosoever enters into it (the Haram), does so in safety.}

The Imam (peace be upon him) replied, “A person who enters into the Sanctuary (Haram) seeking protection, shall remain protected; whoever from amongst the true believers enters into the Sanctuary
