

Bahlool is Questioned About Hazrat Loot

People asked Bahlool, “Which nation was Hazrat Loot from?”

“It is clear from his name that he was the messenger for corrupt and voluptuous people (Looters).”

The people said, “Why do you show such rudeness to the dignity of Allah's Messenger?”

Bahlool answered, “I was not being rude towards the dignity of the Prophet, I was speaking rudely about the nation, and I am not saying wrongly.”
