

Dream

Imam Husayn's [s] companion went to their tents. Some companions went to bed to get ready to tomorrow's fight, and some began praying and reading the Qur'an. Al-Husayn was in his tent mending his sword. He felt tired and closed his eyes.

It was early morning. Imam Husayn [a] dreamt that he saw dogs attacking him. One of the dogs was spotted. It was biting his neck. Al-Husayn woke and said:

We belong to Allah, we shall come back to Him!
