The next day early in the morning you should proceed to Qum to visit the Raudhah of Janabe Masuma Fatima Binte Imam Musa al-Kadhim A.S. and the sister of Imam Ridha' A.S. On your way back to Teheran you should visit Masjid al-Jumkaran, Mazaar of Imam Khomeini and Bashete Zahra.

### **Qum – Raudhah Of Janab al-Masuma Fatima Binte Imam Musa al-Kadhim A.S.**

She was the daughter of our 7th Imam, Imam Musa al-Kadhim A.S. and the sister of Imam Ali Ridha' A.S. Her mother's name was Ummul Banin Najma. The meaning of Qum is to "stand" as the ship of Nabi Nooh A.S. had stopped here. It is said that our 12th Imam A.S. will start Jihad from here.

The Holy Prophet (SAW) said 150 years before the death of Masuma al-Qum one of his daughter would be buried in Qum, where many Mujtahids and A'alems will be ready to preach.

After the departure of Imam Ridha' A.S. from Medina, she missed his brother so much that she decided to go to Mashad also known as Khorasan to meet him. When she arrived Qum, which is on the way to Mashad, she got the news that the Imam had been poisoned and had died.

She was very upset and became ill. Within 40 days of the death of the Imam, she passed away in Qum. When she was buried, they found her grave had already been dug. Two men came with Nikab (covered faces) and led Namaaz al-Janaaza and buried her. Our 7th Imam A.S. is recorded to have said that before visiting him in Mashad you should first visit his sister in Qum, and that who ever visits her shall enter Jannat.

### **Masjid al-Jumkaran**

Hassan Bin Maslah by the order of our 12th IMAM HAZRAT MAHDI A.S built this Masjid. The Imam has said that to pray four rakaat Salaat in this Masjid is equal to the thawab of praying inside Khan al-

Ka'aba.

It is narrated that Imam Mahdi A.S. visits this Masjid every Tuesday night. There is a well behind this Masjid and Zuwar write AREEZA asking the Imam to take their Haajat to Allah (SWT) and they put it in this well.

Sheikh Saleh (Hassan Maslah Jamkarany) narrates in his book that one Thursday night eve 17th of Ramadhan, and he was sleeping in Jamkaran site (small village) when suddenly he heard someone knocking at the door. He opened it and saw a couple of Sheikhs (clergymen) who after saluting him asked him to follow them, telling him that his master wanted to see you. He went with them to a place, where Masjid al-Jumkaran (now stands). He saw a throne and a very nice carpet on the floor and a young man of about 30 years of age sitting on it and he was informed that he (the person sitting on the throne) was our 12th Imam A.S. An old man was sitting beside him and was reading a book and more than 60 people in green and white robe were praying around the throne. Later on, he was made to understand that the old man was Nabi Khizr A.S.

Our Imam called Sheikh Saleh by his name and told him to tell the people that they were planting on land, which was not just for planting. They had to pay back all the profit they made from the crops and that with the proceeds they were to build a Masjid on this land. This is a very sacred land and Allah (SWT) picked it from all others.

Sheikh Saleh told the Imam that the people would not believe him and the Imam should give him some sign or a letter. The Imam replied that some kind of a sign at the site would be put till the people would accept his message.

So, go and deliver my message to them to build the Masjid from "ardeha" funds from our private property. Tell the people that this is a very sacred place of they should recite four rakaats Salaat. Two rakaats with the Niyyat of "Tahiyat al-Masjid" and the other two rakaats are for "Imam al-Dhamana A.S." The Imam further said that each person that recite these four rakaats will get the thawab of reciting inside the Khan al-Ka'aba.

The Imam further said that among the sheep of "Jaafar Kashany", a shepherd, there is a black and white sheep, which Sheikh Saleh must buy and sacrifice on this land and then distribute the meat among the sick and the poor Allah (SWT) will then heal. He further writes in his book that he returned to his house but could not get any sleep and was thinking until morning. After Salaat al-Fajr he immediately went to the place the Imam had mentioned and found that a boundary of chains had already been put around the land and that was the sign of the area.

Sheikh Saleh further writes that he then went to Qum and when reaching the house that he was asked to visit, he met a man waiting for him at the door and said to him that his master had been waiting to see him since Fajr. He was escorted inside the house and after exchanging salaams the Sayyid then asked Sheikh Saleh whether his name was Hassan Maslah, to which he replied yes. He told me that he

dreamed last night that he will be coming to see him and whatever he was asked in his dream he should act accordingly. Sheikh Hassan Maslah, repeated his whole dream and after we went towards the land designated for the Masjid, we saw Jaafar Kashany the shepherd and among his flock of sheep we saw the white and black sheep who was at the end of the flock. The shepherd swore that he had never seen that sheep before in his flock and how hard he tried to catch he was not able.

Sheikh Hassan Maslah Jamkarany said the sheep came to him as if it knows him for years. He caught it and sacrificed it on the land and distributed the meat as per instructions in his dream.

The Masjid was then erected and the chains that were around the plot was removed and taken to Qum. The sick used to visit him and rub their bodies against the chains and they would be healed.

After the death of Sheikh Hassan Maslah Jamkarany all the chains disappeared.

### **Raudhah of Imam Ali Ridha' A.S.**

He was born in Medina on Thursday 11th Zilkaad in the year 148 A.H. He was the son of our 7th Imam – Imam

Musa al-Kadhim A.S. and his mother's name was Ummul Banin Najma. Upon the death of his father, he became Imam, at the age of 35 years. Imam Ridha' A.S. lived in Medina, but Mamoon invited him to Mashad also known as Khorasan. Mamoon's main aim was to subdue the troubled Persian Province and he realized that Imam Ridha' A.S. was the only person who can achieve peace in Iran formerly known as Persia.

The Imam was reluctant to leave Medina, where he was leading a quiet life, but under the circumstances, he had no choice, so he came to Khorasan. On arrival, Mamoon gave the Imam a royal reception and treated him with honour and declared his intention of making the Imam his successor.

Imam Ridha' A.S. told Mamoon openly "I know why you are doing this but there is no point in refusing because my death will come before yours." Mamoon forced the Imam and thus on 27th Ramadhan in the year 201 A.H., Imam Ridha' A.S. was officially designated as Mamoon's heir. A gold coin was minted in the name of the Imam A.S. Distribution of this coin amongst the people subdued the enemies of the emporia and Mamoon's purpose was accomplished. Within 18 months, Persia was under control. Later Mamoon poisoned the Imam by feeding him with poisoned grapes, and made a great show of his sorrow. Thus our 8th Imam – Imam Ali Ridha' A.S. died on 17th Safar 203 A.H. at the age of 55 years and is buried here.

Our Imam is also well known as "Imam Dhamin" and this is due to a famous story narrated by historian that one day he was travelling he saw a hunter capture a deer and wanted to slay it but he saw that the deer was crying and had tears in her eyes. The deer addressed our Imam in her language, and told him

that she had babies who needed to be fed by her and that he should request the hunter to let her go and feed her babies first. The Imam fully understood the language of the deer and told the hunter to let the deer go and that after she fed her babies she would return to the hunter. The hunter was not prepared to listen to this and told the Imam if he will guaranty the return of the mother deer then, he will let her go. The Imam guaranteed and that is why he is known as Imam Dhamin.

If you visit the huge lecture room which was been built after the birth of the Islamic Republic of Iran you will see the artist has beautiful drawn the story of the deer on one of the walls.

## **Goharshad Masjid**

It is said that Goharshad Khatoon, wife of an Indian King whose name was Shah Rukh Mirza, built this Masjid.

One should not miss the opportunity to visit this museum. It has pages of the Quraan written by hand by Imam Ali A.S., Imam Zainul Abedeen A.S. and other Imams.

## **Lunch as a Guest of Imam Ridha' A.S.**

You may not get this opportunity again. You should take your passport and go to the office of Pilgrims which is situated in the Haram of Imam Ridha's A.S. They will mark your passport and give you a ticket for the meal. At this restaurant they feed 4000 Zuwar each day. Thousands of Iranians have to wait for years before they get a chance to have a meal at this restaurant.

They serve you a good portion of rice and chicken and one cannot finish it, besides at the entrance you will find thousands of Iranian begging you to bring them some food (Niaz) from the Restaurant. We suggested you take with you a few zip lock bags and put the food in it and when you come out you can distribute them to the people waiting for this once in a lifetime "Tabaruk" but you must be very careful because they will jump on you like bees jump on the beehive.

There are many Ziyarat around Mashad and you should try and visit them all.

## Tour of Neishapur City

### Shiraz – Shah Shiragh A.S.

The Raudhah of Shah Shiragh A.S. the brother of Imam Ridha' A.S. is in Shiraz. If you plan to visit then you have to add 2 to 3 extra days in your itinerary.

**Your Ziyarat of Iran is now almost complete and you have two choices either return to Damascus or proceed to Iraq. We recommend you go to Iraq from Amman, Jordan**

### Teheran/Damascus/Amman

Your flight by Air Iran is late in the evening and you will arrive Damascus sometime 8:00 PM. Usually all Raudhah in Damascus are closed after Isha Salaat. If you arrive on a Thursday night you may be lucky if your flight is not delayed then you proceed to Raudhah of Bibi Zainab A.S. direct from the airport before you go to your hotel.

Our experience tells us that it is better to go to Iraq from Amman, Jordan, because there is a good traffic on this road. You can also go from Iran but there you have change the buses at the border and you may have to walk about a half km to the Iraqi border and get your Immigration and customs cleared there.

They are talking of opening the road from Damascus but up to now it has not materialised. Of course the traveling time may be reduced by about 3 to 4 hours on this route.

Another reason to go from Amman is that you can visit Baitul-Muqaddas and other Ziyarat both in and around Amman and in and around Baitul-Muqaddas.
