

Actor

18. What is an actor?

An actor is a noun that is preceded by a verb and denotes the person who carried out that verb. For example: **لَعِبَ الصَّبِيُّ** (The child played). Here, child is the actor because it came after the verb and denotes who played.

19. Does the verb remain in the same form if the actor is feminine?

If the actor is feminine the verb is placed into the feminine form by adding a **ت** to the end of a preterite tense verb or a **ت** at the beginning of an aorist tense verb. For example:

سافرت مريم وتُسافر سلمى (Maryam traveled and Salma is traveling.)

20. Does the verb remain in the same form or is it put into the plural form if the actor is in the dual or plural form?

The verb remains in the single form even if the actor is in the dual or plural form.
